Passionate and driven individual interested in learning about technology. Loves to discover ways to learn and grow so that I can strive to achieve my best. I am constantly looking for new challenges that will push me to my boundaries and expand my skill sets. I also enjoy collaborating with other like-minded people to exchange ideas and broaden each other's grasp of an area in which we perform best.

Experience

Singapore Youth For Christ Member + Subcore Leader   *2022 - present*

- Participated in SYFC events, including the "Playground 2.0" series.
- Participated in weekly gatherings to discuss particular topics or to conduct a bible study.
- In 2023, received the opportunity to take on a leadership role as a Subcore Leader.
- Collaborated with a team to develop social media material for our Instagram, where we created a few series such as "Armour of God" and "Fruit of the Spirit".
- Create events for students to engage in, such as "Welcome Tea" to welcome new members and kick off the academic year.
- Started an event called "Rest and Play" that happens weekly.

Hackstart Project RP   *2023 - present*

- In 2023, become an EXCO as the Vice President of Membership.
- Working together to establish this new project, my responsibility was to inform students about the project and pique their interest enough to become members.
- Helped to plan an event called the "Welcome Day" to officially launch this project for the students to participate in and be updated.
- In July 2024, became President of Hackstart.
- Participated in a talk to all PFP students to promote Hackstart
- Participate in weekly meetings and collaborate with other EXCOS to ensure that the Hackstart Project grows into an interest group.
